Wanderers News

The attached photos are of the group trekking Old Track towards Upper Limpley Stoke in January and of walkers on a coffee break at Chapel Plaister in February on their linear walk to Bathford. An enjoyable ramble albeit a wet and windy Sunday following Storm Eunice.

Future monthly walking dates are Sundays 17th July and 21st August.

There is no ramble in June since it is the Corsham Walking Festival 10th-12th June. Tickets go on sale 4th April www.corshamwalkingfestival.org.uk

For further information on the monthly walks or the Portugal holiday in September please email petesmith11ok@gmail.com - many thanks.
